DEEP TISSUE MASSAGE

For those who want to target deeper layers for more profound and lasting effects, experience a complete body awakening with a combination of therapeutic massage techniques using fluent strokes of different depths and intensity. BACK, NECK AND SHOULDER MASSAGE

FOOT REFLEXOLOGY

Reflexology is based on the principle that energy flows freely around the body when we are in good health and that there are reflex areas on the feet that correspond to every part of the body, including major organs. Sit back and relax as your therapist applies varying degrees of pressure to specific points on the feet with thumb and fingers to unblock energy flow and promote the body's natural healing from within.

ARRIVAL

For your enhanced comfort and relaxation, we suggest that you arrive 20 minutes prior to your first treatment, and 15 minutes prior to subsequent treatments. COMPLIMENTARY WELLNESS ACTIVITIES

Complimentary group wellness activities are scheduled on a daily basis. Please approach our Spa Alila Hosts to make your reservation.

CANCELLATION POLICY

NO SMOKING

We ensure a healthy environment for our guests by upholding a non-smoking policy.

MOBILE PHONE

Kindly ensure your mobile phone is turned off or in silent mode. Better yet, we recommend you leave your phone and your worries behind.

PREPARATION

Most treatments on the menu only require that you come relaxed, yet there are a few that require a little preparation.

Waxing: Please ensure hair is at least 1/4 of an inch in order for the wax to adhere to and remove the hair.

Exfoliation: To remove dry skin from the face or the body, it is advised to limit sun exposure ahead of time and to ensure proper protection afterwards. Men should refrain from shaving on the day of treatment.

Facials: Men are advised to shave carefully prior to the facial to avoid creating sensitivity. We also advise removing contact lenses before your treatment.

GRATUITY

Gratuities may be given at your own discretion. If more convenient, they may also be charged to your villa.
