Story Submission Details

Great TV's and outing!

"With the rewards from Chase, I have been able to get several gift cards to give to family members for birthdays, Christmas, etc. I have also gotten two TV's in addition to share a wonderful weekend with my spouse at a great hotel in Natchitoches, Louisiana. The rewards are a super incentive at the same time that we spend money. Way to go Chase. You have super rewards."

Anniversary/Emergency Travel/Date Nights

"Sapphire is wonderful... easy to use as far as redeeming points and gaining points! I love my sapphire! Also... I always get great comments on the card. :)"

Trip to South America with best friends!

"I used earned points to fly with my two best girlfriends to Buenos Aires where we had the time of our lives. We had been looking to take an exotic trip since we all lived in Italy together and my points allowed for this trip of a lifetime to come true!!"
